Sir,

Sub: Forests - Handloom Weavers Co-operative Societies in Bellary District - Relief scheme - Application for grant of interest-free loan - Further continuance - Proposals.

Ref: G.O. Ms. No.344 Development dated 25.1.50.

In the order cited, Government sanctioned the scheme for the grant of interest-free loan to the handloom weavers of Bellary District who were affected by the [illegible] famine, to be worked through all the weavers' co-operative societies in the district. The original sanction for the scheme was for 6 months from the date of receipt of the loan by such time as the conditions of the cavadis improve, whichever is earlier. The scheme was also sanctioned an interest-free loan of Rs.29,125/- for the purpose of the scheme by joining the societies and for the scheme. The [illegible] scheme will expire on 24.7.50. A conference of the representatives of the Co-operative societies in Bellary district was held on 2.6.50, at which it was decided to request Government to sanction the continuance of the scheme for a further period of 6 months from 25.7.50. A copy of the proceedings of the conference is enclosed.

2. Though 11 societies were originally selected to work the scheme, only 9 of them finally agreed to work it. Even out of these 9 societies, only 3 societies commenced production so far. They produced goods valued at Rs.17,760/- and sold goods valued at Rs.7,285/- leaving a balance of stock worth Rs.10,002/- as on 31.5.50. The remaining societies could not take up the work for either or both of the following reasons viz. a) lack of financial facilities; and b) lack of adequate supplies of yarn. The Bellary Co-operative Central Bank applied to the Madras Provincial Co-operative Bank for a loan of Rs.2.5 lakhs to finance the relief scheme. The Madras Provincial Co-operative Bank has referred consideration of the application, pending this decision by Government of the loan of Rs.50/- lakhs applied for by it. As regards the supply of yarn, the Provincial Society has been trying to distribute the available quantities to the best possible advantage of the societies, but in view of the extremely limited supplies, it has not been able to meet the requirements of the societies to any good extent with the result that only 20% of the total requirements of societies is being met at present. I have asked the Provincial Society to supply some additional quantities to the relief scheme societies. Out of the interest free loan of Rs.29,125/- sanctioned by Government, the Deputy Registrar, Bellary, has so far been authorised to draw and disburse Rs.7,750/- to the societies. The balance will be utilised in due course, if and when [illegible].

Though the market demand for the handloom cloth has risen to some extent as a result of the inadequate yarn supply, the lot of the weavers cannot be said to have made appreciable improvement. Moreover, the months from July to December are generally lean months. Taking these factors and the views expressed by the representatives into consideration, I request that the Government may be pleased to sanction the continuance of the relief scheme in the Bellary district for a further period of 6 months from 25.7.50 on the terms and conditions laid down in G.O. Ms. No.344 Development dated 25.1.50.

Yours faithfully,

for Director of Co-operative Development.

Res. 4.

Continuance or otherwise of the Relief scheme beyond 25.7.50.	The Relief scheme has been started in this district only a couple of months ago. Hence it is resolved to request the Government through the Registrar to extend the Relief scheme for another period of six months from 25.7.50.

The letter from the Registrar of Co-op. Societies on p1 c.f may be perused

The draft order may be accepted subject to the following remarks. × / 1 above

When two technical Supervisors were sanctioned in Govt No 344 Dept d 25-1-50, the idea was that they would have to look after the technical side of the relief, for 11 Societies. The Registrar has now reported that actually 3 Societies have commenced production so far. In the circumstances it seems sufficient to sanction the continuance of one technical Supervisor. (T) D on p2 c.f (T) para 2, p1 c.f

DDA 14.7.50

It is not likely that the Registrar would have employed both the technical Supervisors sanctioned, when only 3 out of the 11 Societies contemplated, actually functioned. It seems also unlikely that the number of the Societies will increase during the proposed extended period of the relief. The Sanction to be now given – vide draft order on p.1 above – may therefore be modified so as to permit employment of only one Technical Supervisor. (F.M. (Fin) may see.

Rc.152541/49 K.1 Dated, 28.3.51

Subject: Textiles - Handloom Weavers - Bellary District - Relief scheme - Winding up.

Ref: 1) G.O. Ms. No.344 Development dated 25.1.50.
2) G.O. Ms. No.2996 Development dated 1.8.50.

In their orders cited 1) above Government sanctioned the extension of relief scheme to the Bellary District to be worked through 11 primary Weavers Cooperative Societies which were adversely affected by the slump in the handloom cloth trade, for a period of six months or till such time as the conditions of the weavers improved whichever was earlier. They also sanctioned an interest-free loan of Rs.29,125/- towards the Share capital of the members to be admitted under the scheme. In their order cited as item 2) Government ordered the continuance of the scheme for a period of 6 months from 25.7.50 or till such time as the conditions of the weavers improved whichever was earlier.

2) Out of the 11 societies selected for working the scheme only 7 societies have worked the scheme. The sanction of the scheme expired on 25.1.51. The question of continuance or otherwise of the scheme was considered at a conference of the representatives of the primary Weavers Cooperative Societies in the District held on 30.12.50. The Conference resolved to discontinue the scheme with effect from the date on which the sanction would expire. The Collector of the District agreed to wind up the scheme. In the above circumstances, the relief scheme in Bellary District was wound up with effect from 25.1.51.

3) All the 7 Weavers Cooperative Societies which worked the scheme produced goods to the extent of Rs.3,37,951-11-2 and effected sales to the extent of Rs.3,79,429-5-0. 3 Societies had goods to the value of Rs.10,478-0-0 on the date of the winding up of the scheme. The transactions resulted in a total net profit of Rs.46,932-5-0 and none of the societies sustained losses. Hence the question of reimbursement by Government of losses incurred under the scheme does not arise. The Deputy Registrar, Bellary has reported that all the societies which worked the scheme have repaid in full the loans borrowed from the Central Bank on Government guarantee and the interest-free loans borrowed from Government.
